### Instructions for Reporting ODSL Matches Online

**Note:** In order to report an ODSL match on line, your assignor must have entered your name and email address into the ODSL referee database. When this was done you should have received a PIN via email. If you don't have a PIN or forgot your PIN use the link on the login page to retrieve one.

Only the Center Referee needs to report the match online, but it can be done by any of the referees.

To report online go to:

**[www.odsl.org/gamereport](http://www.odsl.org/gamereport)**

Enter your email address, PIN, and click "Login".

Enter the match number found in the upper left corner of the match report card and click "Go". If you don't know the match number you can attempt to find it by using the alphabetical listing of field names on this screen.

On the next screen you will see information about the match. If you refereed this match click "Yes-Continue". ( Note: If the match was incomplete due to weather or another reason check the appropriate box on this page. If incomplete, the report will default to the last screen.).

On the next screen you will see and confirm the referee and assistants who worked the match. If all names are correct click "Save and Continue". If the names are blank or incorrect, fill in the appropriate boxes by selecting referees names from the pull down lists. If the names are not on the pull down lists, enter the name in the field below each entry. Note: If you need to eliminate a name you will need to select the blank space on the pull down list. If you did not have assistant referees do not enter anything into the blank slots to indicate that there were none. The system will not accept a duplicate name in two slots. When you have the correct names in each slot select "Save and Continue".

On the next screen you will see the roster for the Home team of player names and jersey numbers as well as names for coaches and managers. If you issued a caution or ejection to any of these individuals indicate it by selecting the appropriate code from the pull down box for Yellow Card, 2nd Yellow, or Red Card next to their name. If their name does not appear on the roster first be sure you have the right team, and then if necessary, add the person's name in one of the blank spots. Once all information is entered properly for the Home team click "Save and Continue".

On the next screen you will see the roster for the away team. Follow the same procedures then click "Save and Continue".

On the next screen you will be able to enter any comments about the match, enter the final score, and rate the coaches, players and parents for Sporting Behavior. **Please be as objective as possible in your sportsmanship ratings. If you are rating any team less than +2 (average) please provide a brief comment.** Once all information is entered click "Save and Continue".

On the next screen you will see a summary of your report. You can use the green buttons to navigate back to previous screens to edit information. If you are satisfied with the report click "Done – Submit Report".

You will then be taken to a page where you can choose to submit another game report or log out.

Thank you for working ODSL matches!
